HAPPY GOLF CLASSIC

AT THE RIVER CLUB

BENEFITTING HAPPYFEAT.ORG

The Happy Golf Classic is organized by Happyfeat.org, a 501(c)(3) founded by Lucy Miller in 2013, to support young adults with special needs.

Happyfeat brings these young adults together to provide inclusive opportunities through friendship, fun events, camps and our day program.

Lucy strongly believes, inclusion is the most important gift we can give our special friends as well as our communities.

She says the more exposure people with disabilities have, the more accepting people become, and communities become happier as a result.

Our mission is pretty simple, to create inclusive opportunities for the world to see that those with disabilities are valuable, capable and very HAPPY!

All proceeds from the tournament will go directly towards the growth of our day program and summer camps. We are so appreciative for your participation.
